Dear Supplier,

The present aims at explaining the required measures in order to do business with Cascades and its Shared Services Center (SSC).

Purchase Order

We ask our suppliers to reference a Purchase Order (PO) when invoicing Cascades for goods and services. Please work with your Cascades contact in order to initiate a PO. If you submit an invoice without a PO, this will result in causing a delay in the payment of your invoices.

Payment Process

If you wish to obtain information or documentation relating to the reception of a payment or an invoice, you can do so by emailing suppliers@cascades.com or by calling **1 855 519-6400**.

Please note that, unless a date of payment was negotiated in an official contract, your dates of payment will be from NET 45 or NET 60 days according to the type of good or service.

Payments are issued twice a month: at the first full week and at the third week of every month, and such for all invoices coming to term. Please note that the term of an invoice will be calculated according to the latest date between the date of the invoice, the date of reception of a valid invoice and the reception of the goods.

Sending invoices

We ask you to send all invoices to the Shared Services Centre either by email: documents_suppliers@cascades.com, or by mail to the address found on the following page for the Cascades units listed in the appendix. Please note that only the invoices and supporting documents must be sent to the Shared Services Centre. You should continue to send any other document to suppliers@cascades.com.

Below you will find the instructions on how to send your invoices. Please ensure to follow them even though the instructions stipulated in the PO differ. Furthermore, please verify that the shipping address is included in addition to the new Shared Services Center's billing address.

Please do not send any invoices if you are a supplier that is paid by « reverse billing ».

We thank you in advance for your constant collaboration. Dear suppliers, please receive our best regards.

Chantale Rouleau
Corporate Director, Cascades Procurement Centre of Expertise

¹ The names, entity numbers and legal entity addresses are found in the annex.

² Some of our units do not currently use the services provided by the Shared Services Centre. You will find these in the annexed list. The email and postal addresses of these units differ from those of the Shared Services Center. Please ensure the invoices are sent to the appropriate location.
