Subject: Updated billing process for Cascades suppliers

Dear supplier,

Cascades is working to implement an automated invoice processing system on a SAP platform to streamline the invoice processing cycle. You may be impacted by some of the changes resulting from this initiative. The purpose of this letter, therefore, is to explain the new measures for doing business with Cascades and its Shared Services Centre, and to assure you that your invoices will be properly tracked. Every effort will be made to minimize the repercussions of this implementation. The changes outlined are effective immediately.

Ordering procedure

We ask that our suppliers reference a purchase order when billing Cascades for goods or services. To do so, please work closely with your contact person at Cascades. If you submit an invoice without a purchase order number or that refers to an erroneous purchase order, the invoice will be returned to you by email and cannot be posted, causing delays in payment.

Invoice submission

Please prioritize invoice submission to the Shared Services Centre email address (documents_suppliers@cascades.com). For all other requests, access the portal mentioned in the *Payment procedure* section.

Below are instructions on how to submit your invoices. Please make sure you follow them correctly.

Note: If you are a supplier paid via reverse billing, please do not submit invoices.

Bill to:	Deliver to:
Name of legal entity	Unit name
Address of legal entity	Delivery address
City, Province/State, Country	City, Province/State, Country

Instructions for submitting invoices

- No handwritten invoices. Only PDF files issued from the billing system and without any additional changes are accepted.
- Only one invoice per PDF document, followed by supporting documents.
- The invoice must include:
 - A purchase order number (one purchase order per invoice) or the email address of the person responsible for the purchase;
 - The currency;
 - The tax number, if taxes apply.
- The information provided at the time of the purchase order confirmation (entity to be invoiced, delivery recipient, purchase order number, price and quantity) must be respected. Please note that the entities to be invoiced will be adjusted on the order forms in the coming weeks to reflect the attached list of units.

By email

- To documents_suppliers@cascades.com

By mail*

- 412 Marie-Victorin Blvd.
Kingsey Falls, Québec,
Canada J0A 1B0

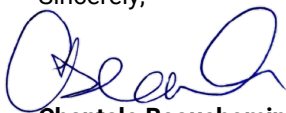

**This method should be used as a last resort as it will result in processing delays and may also result in payment delays.*

Payment procedure

If you would like to obtain documents or information regarding the receipt of a payment or the status of an invoice, please use the Service Portal (https://cascades.service-now.com/sp?id=external_login) provided for this purpose. You can always contact us by phone at 819-809-2519 or 1-844-690-2519.

Please note that unless payment terms have been negotiated in a legal contract, your payment terms are NET 45 or NET 60 days, depending on the type of goods or services purchased. The invoice due date will be calculated according to the invoice date.

Sincerely,

Chantale Beauchemin

Procure to Pay Director
