**Subject: Billing process for Cascades suppliers**

Dear supplier,

Cascades is working with an automated invoice processing system on a SAP platform to streamline the invoice processing cycle. The purpose of this letter, therefore, is to explain the measures for doing business with Cascades and its Shared Services Centre, and to assure you that your invoices will be properly tracked and avoid any invoice rejection.

**Ordering procedure**

We ask that our suppliers reference a purchase order when billing Cascades for goods or services. To do so, please work closely with your contact person at Cascades. If you submit an invoice without a purchase order number or that refers to an erroneous purchase order, the invoice will be returned to you by email and cannot be posted, causing delays in payment.

**Invoice submission**

Please prioritize invoice submission to the Shared Services Centre email address ([documents\\_suppliers@cascades.com](mailto:documents_suppliers@cascades.com)). For all other requests, access the portal mentioned in the *Payment procedure* section.

Below are instructions on how to submit your invoices. Please make sure you follow them correctly. The list of our units is attached to this letter.

Note: If you are a supplier paid via reverse billing, please do not submit invoices.

### Instructions for submitting invoices

- The invoice must include:
  - A purchase order number (one purchase order per invoice) or the email address of the person responsible for the purchase;
  - The currency;
  - The tax number, if taxes apply.
- No handwritten invoices. Only PDF files issued from the billing system and without any additional changes are accepted.
- Only one invoice per PDF document, followed by supporting documents (size max 2 MB).
- The information provided at the time of the purchase order confirmation (entity to be invoiced, delivery recipient, purchase order number, price and quantity) must be respected. If the invoicing quantity or price exceed the purchase order confirmation, the invoice will be rejected to you and a new purchase order will have to be issued.

#### By email

- To [documents\\_suppliers@cascades.com](mailto:documents_suppliers@cascades.com)
- This email address must only be used to submit invoices. Any comment added will not be considered by the system

#### By mail\*

- \*This method should be used as a last resort as it will result in processing delays and may also result in payment delays.*

### Payment procedure

If you would like to obtain documents or information regarding the receipt of a payment or the status of an invoice, please use the Service Portal ([https://cascades.service-now.com/sp?id=external\\_login](https://cascades.service-now.com/sp?id=external_login)) provided for this purpose. You can always contact us by phone at 819-809-2519 or 1-844-690-2519.

Please note that unless payment terms have been negotiated in a legal contract, your payment terms are NET 90 days. The invoice due date will be calculated according to the invoice date.

Sincerely,

**Chantale Beauchemin**
